

CONTRACTOR NOTIFICATION OF ASBESTOS LOCATIONS

As required by the EPA Asbestos Hazard Emergency Response Act (AHERA), each school is responsible for providing contractors with information regarding locations of known or assumed asbestos-containing building materials prior to the contractor working in a building under the school's jurisdiction.

SCHOOL

I, _____, representative of the _____ SDA School have indicated to the contractor/s below the location and materials that are known to be asbestos-containing, or assume to be asbestos-containing according to the AHERA Management Plan.

Note to Principal: Please make a copy of the completed form and send to the Conference Office of Education with your next report. Place the original in the Management Plan notebook, Section 7.

CONTRACTOR

I acknowledge and agree that the above school representative has informed me regarding the specific locations and materials that are asbestos-containing, or assume to be asbestos-containing, which may be encountered or have the potential to be encountered during the course of our work activities here described: _____ . (Job Description)

Further, I expressly acknowledge and agree that neither I, nor any of my employees, agents, sub-contractors or other individuals or entities over whom I have any responsibility or control, will disturb asbestos-containing material(s) as listed in the Management Plan for the above mentioned building. I further acknowledge and agree that should I, my employees, agents, sub-contractors or other individuals or entities over whom I have control, encounter any material(s) suspected of containing asbestos, said material(s) shall not be disturbed without first notifying the Michigan Conference of Seventh-day Adventist's designated person, and receiving approval that such material(s) may be disturbed.
