Christians of Camp Meeting

"Recently, I had an experience where God showed up in a very bold way for me. I had just been in a major car accident, and was waiting for the state trooper to help me. During that waiting time, I had a conversation with God, just about my life, and His care, and my future. I didn't know my future, I just knew I could die. I began to ask God, "God, are we good?" And God very clearly, very boldly, said, "We're good." I knew in that moment that whether I lived or died, He was going to save me. I had a sense of incredible peace that just washed over me at that moment. That is what got me through the waiting. God showed up first. He spoke to me boldly, and he encouraged me when I needed it most."

quality Adventist education more affordable.

The event is sponsored by a variety of individuals and private businesses. It is "because of the generous sponsors that we are able to put money towards the worthy student fund," Garcia says. In addition to donating to the worthy student fund, the sponsors cover the cost of the race itself: the timing, the medals, the snacks, and other miscellaneous expenses, which means that the participants' race fees go directly to the worthy student fund.

226 runners signed up, which is 34 more than the 2022's Fun Run. The increase in numbers is a blessing. Every runner's contribution assists students with the cost of Adventist education.

The blessings of just one race can already be seen. 226 runners ran a combination of just over 700 miles, benefiting both body and mind. In addition, the runners and sponsors raised a total of just over \$8000 for GLAA's worthy student fund. 700 miles, and countless moments for students to find and grow closer to Jesus in their academic careers. 226 runners, and with the Lord's blessings, limitless opportunities for Adventist education.

Annual Fun Run Benefits Adventist Education

Written By: Judy Ringstaff

It was a little misty yesterday morning as soon-to-be runners restlessly paced behind the starting line, waiting for Delwin Garcia to blow the airhorn, signaling to the runners to begin the race. At the sound of the horn, 226 participants took off, taking their first steps of the annual camp meeting Fun Run 5k. Despite the dampness, the weather was a blessing. Runners were grateful that it was neither pouring rain nor blazing sun.

18 minutes after the airhorn blew, 17 year old Rueben Perlee crossed the finish line, (18:38) taking overall first place and first place in the men's division. A few minutes behind him was 10 year old Charlie Nephew (23:52), who took first place in the women's division and first place for her age group. As participants ran down the home stretch, onlookers cheered, encouraging the runners to finish strong.

The Fun Run is an annual camp meeting tradition that many anticipate all year. "The benefit," explains Delwin Garcia, principal of Great Lakes Adventist Academy (GLAA) "is that it is not good just for your health, but it also helps the worthy student fund." All proceeds from the Fun Run directly benefit GLAA's worthy student fund.

The Fun Run had been a tradition at camp meeting "for many years," Garcia says, and when GLAA was asked to take over the race, it was decided that they should be intentional with the event, using it as an opportunity to make

Start Your Morning with Jesus

Written By: Joy Hyde

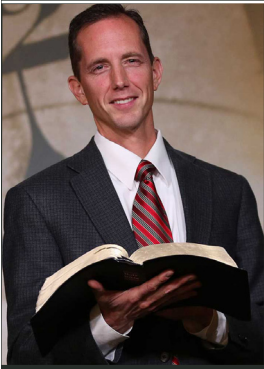

Though he said he was going to present “snapshots of my Redeemer” in the 7:00 hour on Sabbath morning, the thoughts and words shared with us by Dr. Tim Rumsey were an in-depth and extremely picturesque work of art. In 40 minutes, we learned more of how Jesus will always be there for us; we learned that Jesus, our Creator, Redeemer, Savior, and Friend, is always by our side; and, most importantly, we learned that He loves us more than we can ever understand. With Jesus guiding and directing us and holding our hands, we are able to do all that He asks us to do even when we cannot “see where we will land.”

This early morning hour will start your day with a desire to learn more about Jesus and to strive to overcome any obstacles in our paths that prevent us from following Him completely. You do not want to miss any of these sermons. Jesus can even give you the strength to wake up a little earlier to hear what He has put into Dr. Rumsey’s thoughts for us to hear.

Dr. Rumsey will be preaching from the Gospel of John and looking at the titles applied to Jesus or titles that Jesus claimed for Himself. Through his sermons, Rumsey hopes we will see a clearer picture of what Jesus has done for us and what He will do in us.
